Andrew: alright, im ready to apologize
Andrew: I downloaded the game as a lark, and lo and behold, ive been playing it for the last 4 hours
me: you got 4.04 correct?
me: and have wiki on hand?
Andrew: no, im just fucking with you, that game is for fags
Andrew: like you
Andrew: lolol
me: hopefully nyc will be taken out by an abom
me: then we can make cool games with similar format, post-apocalypse them, plus you will be dead
me: gods and kings is best decision you made though
me: really makes the game perfect
Andrew: as much as I hate to say I told you so
Andrew: I actually love saying that
me: I never spoke out against Gods and Kings, knew what the it fixed up
Andrew: sure sure
